

National Fund for Municipal Workers Request for Member Web Access

The Board of Trustees of the National Fund for Municipal Workers (the Fund) is continually striving towards finding better and more effective means of communication to members of the Fund.

The *Member Web Access* has proven an extremely valuable service and the Board of Trustees therefore decided to make this service available whereby members can access their personal member records on the Fund's administration system at a time convenient to them.

This service will be implemented on an individual member request basis and will be handled in the most confidential manner possible. Members who wish to subscribe to this service are kindly requested to complete this form and return it to the fund via e-mail to A026@nationalfund.co.za

The Principal Executive Officer: National Fund for Municipal Workers

I, herewith request the National Fund for Municipal Workers to register me for *Member Web Access*. I understand that the information made available is confidential and that the onus is on me the member to protect my login and password information and inform the Fund when my personal details change.
