

## National Fund for Municipal Workers Request for Fund Credit Values via SMS

The Board of Trustees of the National Fund for Municipal Workers (the Fund) is continually striving towards finding better and more effective means of communication to members of the Fund.
The Fund's SMS-communication to members has proven extremely effective and the Board of Trustees therefore decided to make a service available whereby members can receive their fund credit balances on a regular basis from the Fund via sms.
This service will be implemented on an individual member request basis and will be handled in the most confidential manner possible. Members who wish to subscribe to this service are kindly requested to complete this form and fax it back to the Fund on 086 668 0750. The Principal Officer: National Fund for Municipal Workers
